**REQUEST FOR PROPOSAL FOR  
FAIR HEARING OFFICER SERVICES  
FOR  
The Division of Social Services**

**I. INTRODUCTION**

**A. Background**

The mission of the Division of Social Services (DSS) is to provide, either directly or through coordination, an integrated system of opportunities, services, and income support which will enable Delaware's most disadvantaged individuals and families to maintain or move toward independence.

The Division of Social Services is soliciting contracts for the services of hearing officers to adjudicate disputed claims for benefits in the programs it administers. The programs include Medicaid, the Child Health Insurance Program (CHIPs), Temporary Assistance to Needy Families and other Social Security Act programs, Food Stamps and Child Care benefits.

**B. Project Goals**

Fair hearing decisions are time-sensitive and must be produced quickly. DSS schedules the hearings and mails out the hearing decisions that are sent to us by the Hearing Officers who are under contract.

The hearing officer must retain the hearing record, including documents admitted as evidence for the hearing, for a minimum of three months after the hearing. The hearing officer must return any equipment owned by the State after the contract period is over.

A final hearing decision must be produced within 30 days from the date of the scheduled hearing.

Hearing Officer must provide excellent customer service and maintain professionalism at all times.

**Current Statistics on Contracted Services**

Average # of cases per month: 95-100

New Castle County: 45-50

Kent County: 25

Sussex County: 25

Minimum/Maximum time spent on Case exclusive of review of testimony, legal research, and decision writing: 30-90 minutes  
Average amount of time spent on Managed Care case 2500 minutes

The Delaware Fair Hearing practice rules can be found at the Delaware Administrative Code, Title 16 Health and Social Services, § 5000 Division of Social Services at [www.delaware.gov](http://www.delaware.gov).

### **C. Scope of Services**

The Division of Social Services values knowledge of and experience in administrative law and knowledge and experience with the rules statutory and regulatory construction. The work is high volume and requires knowledge of administrative law, statutory and regulatory construction, and the applicability of the Delaware Uniform Rules of Evidence. The work requires the ability to decide issues of fact and issues of law quickly, the ability to interact with underrepresented people and non-professional personnel presenting the State's case at Fair Hearings, and writing skills. Under our rules, an opportunity for a fair hearing must be given to any individual who is dissatisfied with a decision of the Division of Social Services and who makes a request for a hearing.

Hearing decisions are sent to the Division of Social Services Hearing Clerk electronically through e-mail and then mailed to the parties. DSS also communicates with contracted Hearing Officers largely by e-mail, so an internet address is a contract requirement, as is the ability and time to do legal research; i.e., access to Lexis/Nexis or other software or access to a law library.

The awarded vendor(s) **must** utilize Iron Port (as the State standard for e-mail encryption) to encrypt all e-mails between State staff and the vendor.

*All contractor staff working on this project will be subject to a Criminal Background Check (CBC). The contractor will be solely responsible for the cost the CBC. DHSS will review the CBC results. DHSS at their sole discretion may request that a contractor staff member be replaced if their CBC result is unsatisfactory. See Appendix F for instructions on this process.*

DSS supplies tapes and recording and playback equipment. If an appeal of a hearing decision is taken to Superior Court, DSS arranges for the production of a transcript of the hearing and DSS reconstructs the hearing record with the help of the presiding hearing official.

The hearing officer presides at the hearing. He/she makes decisions about the admissibility of evidence and how the proceedings are conducted. In general,

hearsay evidence is not admissible over objection unless it meets one of the exceptions in the Delaware Uniform Rules of Evidence. The hearing is on the record. The hearing officer can question witnesses or direct the parties to produce evidence which he/she determines is necessary. However, other than ensuring that the hearing is conducted fairly, the officer is not permitted to assist either party in the presentation of his/her/its case.

Hearings are trial-like. The Hearings Officer's decisions must be based exclusively on evidence admitted by the hearing officer at the hearing. The decision of the hearing officer is the final decision of the Department of Health and Social Services. Judicial review, pursuant to 31 Del. C520, may be taken directly from the hearing officer's decision, within thirty (30) days of the decision.

### **III. SPECIAL TERMS AND CONDITIONS**

#### **A. Length of Contract**

Contract period will be from January 1, 2012 to December 31, 2012. This contract may be extended on a yearly basis for 4 (years) years following December 31, 2012, upon the agreement of all parties, the availability of funds and that there be no additional price considerations.

#### **B. One or more Vendors to be selected**

#### **C. Subcontractors**

The use of subcontractors will be permitted for this project. If a subcontractor is going to be used, this needs to be specified in the proposal, with an identification of the proposed subcontractor, the service(s) to be provided, and its qualifications to provide such service(s). Subcontractors will be held to the same requirements as the primary contractor. The contract with the primary contractor will bind sub or co-contractors to the primary contractor by the terms, specifications, and standards of the RFP. All such terms, specifications, and standards shall preserve and protect the rights of the agency under the RFP and any subsequent proposals and contracts with respect to the services performed by the sub or co-contractor, so that the sub or co-contractor will not prejudice such rights. Nothing in the RFP shall create any contractual relation between any sub or co-contractor and the agency.

The proposed subcontractors must be approved by DSS.

#### **D. Funding Disclaimer Clause**

Delaware Health and Social Services reserves the right to reject or accept any bid or portion thereof, as may be necessary to meet the Department's funding limitations and processing constraints. The Department reserves the right to terminate any contractual agreement upon fifteen (15) calendar days written notice in the event the state determines that state or federal funds are no longer available to continue said contractual agreement.

#### **E. Reserved Rights**

Notwithstanding anything to the contrary, the Department reserves the right to:

- Reject any and all proposals received in response to this RFP;
- Select a proposal other than the one with the lowest cost;
- Waive or seek clarification on any information, irregularities, or inconsistencies in proposals received;
- Negotiate as to any aspect of the proposal with the bidder and negotiate with more than one bidder at a time;
- If negotiations fail to result in an agreement within two (2) weeks, the Department may terminate negotiations and select the most responsive bidder, prepare and release a new RFP, or take such other action as the Department may deem appropriate.

#### **E. Termination Conditions**

The Department may terminate the contract resulting from this RFP at any time that the vendor fails to carry out its provisions or to make substantial progress under the terms specified in this RFP and the resulting proposal.

Prior to taking the appropriate action as described in the contract, the Department will provide the vendor with thirty (30) days notice of conditions endangering performance. If after such notice the vendor fails to remedy the conditions contained in the notice, the Department shall issue the vendor an order to stop work immediately and deliver all work and work in progress to the State. The Department shall be obligated only for those services rendered and accepted prior to the date of notice of termination.

The Contract may be terminated in whole or part:

- a) by the Department upon five (5) calendar days written notice for cause or documented unsatisfactory performance,
- b) by the Department upon fifteen (15) calendar days written notice of the loss of funding or reduction of funding for the stated Contractor services,
- c) by either party without cause upon thirty (30) calendar days written notice to the other Party, unless a longer period is specified.

#### **F. Contractor Monitoring/Evaluation**

The contractor may be monitored/evaluated on-site on a regular basis. Failure of the contractor to cooperate with the monitoring/evaluation process or to resolve any problem(s) identified in the monitoring/evaluation may be cause for termination of the contract.

#### **G. Payment:**

The agencies or school districts involved will authorize and process for payment each invoice within thirty (30) days after the date of receipt. The contractor or vendor must accept full payment by procurement (credit) card and or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions.

#### **H. W-9 Information Submission**

Effective January 5, 2009, a new vendor process and use of the new Delaware Substitute Form W-9 will be implemented by the Delaware Division of Accounting. With the development of the new Delaware Substitute Form W-9, state organizations will no longer be responsible for collecting the Form W-9 from vendors. The vendor will have the capability of submitting the required Form W-9 electronically and directly to the Delaware Division of Accounting for approval. The vendors will submit their Form W-9 by accessing this website, <http://accounting.delaware.gov/>. The vendor will complete the secure form, read the affirmation, and submit the form by clicking the "Submit" button. Delaware Division of Accounting staff will review the submitted form for accuracy, completeness, and standardization. Once all the requirements are met, the form will be uploaded to the vendor file and approved. The vendor is then able to be paid for services provided.

For those vendors that do not have internet access, a printable version of the Delaware Substitute Form W-9 can be faxed or mailed to the vendor. Upon completion, the vendor will then fax or mail the form directly to the vendor staff

at the Delaware Division of Accounting. All vendor requests, additions and changes, will come directly from the vendor. Questions for vendors who do not have internet access, contact vendor staff at (302) 734-6827.

Upon selection of a vendor, a Division of Social Services representative will enter into negotiations with the bidder to establish a contract.

## **B. Consultants and Legal Counsel**

The State of Delaware may retain consultants or legal counsel to assist in the review and devaluation of this RFP and the vendors' responses. Bidders shall not contact consultant or legal counsel on any matter related to the RFP.

## **C. Exclusions**

The Proposal Evaluation Team reserves the right to refuse to consider any proposal from a vendor who:

Has been convicted for commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of the contract or subcontract;

Has been convicted under State or Federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or other offense indicating a lack of business integrity or business honesty that currently and seriously affects responsibility as a State contractor;

Has been convicted or has had a civil judgment entered for a violation under State or Federal antitrust statutes;

Has violated contract provisions such as;

Knowing failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or

Failure to perform or unsatisfactory performance in accordance with terms of one or more contracts;

Has violated ethical standards set out in law or regulation; and

Any other cause listed in regulations of the State of Delaware determined to be serious and compelling as to affect responsibility as a State contractor, including suspension or debarment by another governmental entity for a cause listed in the regulations.

#### **D. Project Costs and Proposed Scope of Service**

The Department reserves the right to award this project to a bidder other than the one with the lowest cost or to decide not to fund this project at all. Cost will be balanced against the score received by each bidder in the rating process. The State of Delaware reserves the right to reject, as technically unqualified, proposals that are unrealistically low if, in the judgment of the evaluation team, a lack of sufficient budgeted resources would jeopardize project success.

The awarded vendor (s) **must** utilize IronPort (as the State standard for e-mail encryption) to encrypt all emails between State staff and the vendor.

All contractor staff working on this project will be subject to a Criminal Background Check (CBC). The contractor will be solely responsible for the cost of the CBC. DHSS will review the CBC results. DHSS at their sole

discretion may request that a contractor staff member be replaced if their CBC result is unsatisfactory. See Appendix F for instructions on this process.

**CONTRACT # \_\_\_\_\_  
BETWEEN  
[DIVISION NAME HERE]  
DELAWARE DEPARTMENT OF HEALTH & SOCIAL SERVICES,  
AND  
[Contractor]  
FOR  
[TYPE OF SERVICE]**

**A. Introduction**

1. This contract is entered into between the Delaware Department of Health and Social Services (the Department), Division of \_\_\_\_\_ (Division) and \_\_\_\_\_ (the Contractor).
2. The Contract shall commence on \_\_\_\_\_ and terminate on \_\_\_\_\_ unless specifically extended by an amendment, signed by all parties to the Contract. Time is of the essence. (Effective contract start date is subject to the provisions of Paragraph C. 1. of this Agreement.)

**B. Administrative Requirements**

1. Contractor recognizes that it is operating as an independent Contractor and that it is liable for any and all losses, penalties, damages, expenses, attorney's fees, judgments, and/or settlements incurred by reason of injury to or death of any and all persons, or injury to any and all property, of any nature, arising out of the Contractor's negligent performance under this Contract, and particularly without limiting the foregoing, caused by, resulting from, or arising out of any act of omission on the part of the Contractor in their negligent performance under this Contract.
2. The Contractor shall maintain such insurance as will protect against claims under Worker's Compensation Act and from any other claims for damages for personal injury, including death, which may arise from operations under this Contract. The Contractor is an independent contractor and is not an employee of the State.
3. During the term of this Contract, the Contractor shall, at its own expense, carry insurance with minimum coverage limits as follows:

a) Comprehensive General Liability                      \$1,000,000

and

	b) Medical/Professional Liability	\$1,000,000/ \$3,000,000
or	c) Misc. Errors and Omissions	\$1,000,000/\$3,000,000
or	d) Product Liability	\$1,000,000/\$3,000,000

*All contractors must carry (a) and at least one of (b), (c), or (d), depending on the type of service or product being delivered.*

If the contractual service requires the transportation of Departmental clients or staff, the contractor shall, in addition to the above coverage, secure at its own expense the following coverage:

e) Automotive Liability (Bodily Injury)	\$100,000/\$300,000
f) Automotive Property Damage (to others)	\$ 25,000

4. Notwithstanding the information contained above, the Contractor shall indemnify and hold harmless the State of Delaware, the Department and the Division from contingent liability to others for damages because of bodily injury, including death, that may result from the Contractor's negligent performance under this Contract, and any other liability for damages for which the Contractor is required to indemnify the State, the Department and the Division under any provision of this Contract.
5. The policies required under Paragraph B. 3. must be written to include Comprehensive General Liability coverage, including Bodily Injury and Property damage insurance to protect against claims arising from the performance of the Contractor and the contractor's subcontractors under this Contract and Medical/Professional Liability coverage when applicable.
6. The Contractor shall provide a Certificate of Insurance as proof that the Contractor has the required insurance. The certificate shall identify the Department and the Division as the "Certificate Holder" and shall be valid for the contract's period of performance as detailed in Paragraph A. 2.
7. The Contractor acknowledges and accepts full responsibility for securing and maintaining all licenses and permits, including the Delaware business license, as applicable and required by law, to engage in business and provide the goods and/or services to be acquired under the terms of this Contract. The Contractor acknowledges and is aware that Delaware law provides for significant penalties associated with the conduct of business without the appropriate license.

8. The Contractor agrees to comply with all State and Federal licensing standards and all other applicable standards as required to provide services under this Contract, to assure the quality of services provided under this Contract. The Contractor shall immediately notify the Department in writing of any change in the status of any accreditations, licenses or certifications in any jurisdiction in which they provide services or conduct business. If this change in status regards the fact that its accreditation, licensure, or certification is suspended, revoked, or otherwise impaired in any jurisdiction, the Contractor understands that such action may be grounds for termination of the Contract.

a) If a contractor is under the regulation of any Department entity and has been assessed Civil Money Penalties (CMPs), or a court has entered a civil judgment against a Contractor or vendor in a case in which DHSS or its agencies was a party, the Contractor or vendor is excluded from other DHSS contractual opportunities or is at risk of contract termination in whole, or in part, until penalties are paid in full or the entity is participating in a corrective action plan approved by the Department.

A corrective action plan must be submitted in writing and must respond to findings of non-compliance with Federal, State, and Department requirements. Corrective action plans must include timeframes for correcting deficiencies and must be approved, in writing, by the Department.

The Contractor will be afforded a thirty (30) day period to cure non-compliance with Section 8(a). If, in the sole judgment of the Department, the Contractor has not made satisfactory progress in curing the infraction(s) within the aforementioned thirty (30) days, then the Department may immediately terminate any and/or all active contracts.

9. Contractor agrees to comply with all the terms, requirements and provisions of the Civil Rights Act of 1964, the Rehabilitation Act of 1973 and any other federal, state, local or any other anti discriminatory act, law, statute, regulation or policy along with all amendments and revision of these laws, in the performance of this Contract and will not discriminate against any applicant or employee or service recipient because of race, creed, religion, age, sex, color, national or ethnic origin, disability or any other unlawful discriminatory basis or criteria.
10. The Contractor agrees to provide to the Divisional Contract Manager, on an annual basis, if requested, information regarding its client population served under this Contract by race, color, national origin or disability.
11. This Contract may be terminated in whole or part:
  - a) by the Department upon five (5) calendar days written notice for cause or documented unsatisfactory performance,

b) by the Department upon fifteen (15) calendar days written notice of the loss of funding or reduction of funding for the stated Contractor services as described in Appendix B,

c) by either party without cause upon thirty (30) calendar days written notice to the other Party, unless a longer period is specified in Appendix A.

In the event of termination, all finished or unfinished documents, data, studies, surveys, drawings, models, maps, photographs, and reports or other material prepared by Contractor under this contract shall, at the option of the Department, become the property of the Department.

In the event of termination, the Contractor, upon receiving the termination notice, shall immediately cease work and refrain from purchasing contract related items unless otherwise instructed by the Department.

The Contractor shall be entitled to receive reasonable compensation as determined by the Department in its sole discretion for any satisfactory work completed on such documents and other materials that are usable to the Department. Whether such work is satisfactory and usable is determined by the Department in its sole discretion.

Should the Contractor cease conducting business, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the appointment of a receiver for its business or assets, or shall avail itself of, or become subject to any proceeding under the Federal Bankruptcy Act or any other statute of any state relating to insolvency or protection of the rights of creditors, then at the option of the Department, this Contract shall terminate and be of no further force and effect. Contractor shall notify the Department immediately of such events.

13. In the event of amendments to current Federal or State laws which nullify any term(s) or provision(s) of this Contract, the remainder of the Contract will remain unaffected.
  14. This Contract shall not be altered, changed, modified or amended except by written consent of all Parties to the Contract.
  15. The Contractor shall not enter into any subcontract for any portion of the services covered by this Contract without obtaining prior written approval of the Department. Any such subcontract shall be subject to all the conditions and provisions of this Contract. The approval requirements of this paragraph do not extend to the purchase of articles, supplies, equipment, rentals, leases and other day-to-day operational expenses in support of staff or facilities providing the services covered by this Contract.
  16. This entire Contract between the Contractor and the Department is composed of these several pages and the attached Appendix \_\_\_\_.
  17. This Contract shall be interpreted and any disputes resolved according to the Laws of the State of Delaware. Except as may be otherwise provided in this contract, all claims, counterclaims, disputes and other matters in question between the Department and Contractor arising out of or relating to this Contract or the breach thereof will be decided by arbitration if the parties hereto mutually agree, or in a court of competent jurisdiction within the State of Delaware.
  18. In the event Contractor is successful in an action under the antitrust laws of the United States and/or the State of Delaware against a vendor, supplier, subcontractor, or other party who provides particular goods or services to the Contractor that impact the budget for this Contract, Contractor agrees to reimburse the State of Delaware, Department of Health and Social Services for the pro-rata portion of the damages awarded that are attributable to the goods or services used by the Contractor to fulfill the requirements of this Contract. In the event Contractor refuses or neglects after reasonable written notice by the Department to bring such antitrust action, Contractor shall be deemed to have assigned such action to the Department.
  19. Contractor covenants that it presently has no interest and shall not acquire any interests, direct or indirect, that would conflict in any manner or degree with the performance of this Contract. Contractor further covenants that in the performance of this contract, it shall not employ any person having such interest.
  20. Contractor covenants that it has not employed or retained any company or person who is working primarily for the Contractor, to solicit or secure this agreement, by improperly

influencing the Department or any of its employees in any professional procurement process; and, the Contractor has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working primarily for the Contractor, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this agreement. For the violation of this provision, the Department shall have the right to terminate the agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

21. The Department shall have the unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, any reports, data, or other materials prepared under this Contract. Contractor shall have no right to copyright any material produced in whole or in part under this Contract. Upon the request of the Department, the Contractor shall execute additional documents as are required to assure the transfer of such copyrights to the Department.

If the use of any services or deliverables is prohibited by court action based on a U.S. patent or copyright infringement claim, Contractor shall, at its own expense, buy for the Department the right to continue using the services or deliverables or modify or replace the product with no material loss in use, at the option of the Department.

22. Contractor agrees that no information obtained pursuant to this Contract may be released in any form except in compliance with applicable laws and policies on the confidentiality of information and except as necessary for the proper discharge of the Contractor's obligations under this Contract.
23. Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of this Contract shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Contract unless stated to be such in writing, signed by authorized representatives of all parties and attached to the original Contract.
24. If the amount of this contract listed in Paragraph C2 is over \$25,000, the Contractor, by their signature in Section E, is representing that the Firm and/or its Principals, along with its subcontractors and assignees under this agreement, are not currently subject to either suspension or debarment from Procurement and Non-Procurement activities by the Federal Government.

#### C. Financial Requirements

1. The rights and obligations of each Party to this Contract are not effective and no Party is bound by the terms of this contract unless, and until, a validly executed Purchase Order is approved by the Secretary of Finance and received by Contractor, *if required by the State of Delaware Budget and Accounting Manual*, and all policies and procedures of the Department of Finance have been met. The obligations of the Department under this

Contract are expressly limited to the amount of any approved Purchase Order. The State will not be liable for expenditures made or services delivered prior to Contractor's receipt of the Purchase Order.

2. Total payments under this Contract shall not exceed \$ \_\_\_\_\_ in accordance with the budget presented in Appendix \_\_\_\_\_. Payment will be made upon receipt of an itemized invoice from the Contractor in accordance with the payment schedule, if any. The contractor or vendor must accept full payment by procurement (credit) card and or conventional check and/or other electronic means at the State's option, without imposing any additional fees, costs or conditions. Contractor is responsible for costs incurred in excess of the total cost of this Contract and the Department is not responsible for such costs.
3. The Contractor is solely responsible for the payment of all amounts due to all subcontractors and suppliers of goods, materials or services which may have been acquired by or provided to the Contractor in the performance of this contract. The Department is not responsible for the payment of such subcontractors or suppliers.
4. The Contractor shall not assign the Contract or any portion thereof without prior written approval of the Department and subject to such conditions and revisions as the Department may deem necessary. No such approval by the Department of any assignment shall be deemed to provide for the incurrence of any obligations of the Department in addition to the total agreed upon price of the Contract.
5. Contractor shall maintain books, records, documents and other evidence directly pertinent to performance under this Contract in accordance with generally accepted accounting principles and practices. Contractor shall also maintain the financial information and data used by Contractor in the preparation of support of its bid or proposal. Contractor shall retain this information for a period of five (5) years from the date services were rendered by the Contractor. Records involving matters in litigation shall be retained for one (1) year following the termination of such litigation. The Department shall have access to such books, records, documents, and other evidence for the purpose of inspection, auditing, and copying during normal business hours of the Contractor after giving reasonable notice. Contractor will provide facilities for such access and inspection.
6. The Contractor agrees that any submission by or on behalf of the Contractor of any claim for payment by the Department shall constitute certification by the Contractor that the services or items for which payment is claimed were actually rendered by the Contractor or its agents, and that all information submitted in support of the claims is true, accurate, and complete.
7. The cost of any Contract audit disallowances resulting from the examination of the Contractor's financial records will be borne by the Contractor. Reimbursement to the Department for disallowances shall be drawn from the Contractor's own resources and not charged to Contract costs or cost pools indirectly charging Contract costs.

8. When the Department desires any addition or deletion to the deliverables or a change in the services to be provided under this Contract, it shall so notify the Contractor. The Department will develop a Contract Amendment authorizing said change. The Amendment shall state whether the change shall cause an alteration in the price or time required by the Contractor for any aspect of its performance under the Contract. Pricing of changes shall be consistent with those prices or costs established within this Contract. Such amendment shall not be effective until executed by all Parties pursuant to Paragraph B.14.

D. Miscellaneous Requirements

1. *If applicable*, the Contractor agrees to adhere to the requirements of DHSS Policy Memorandum # 46, (PM # 46, effective 3/11/05), and divisional procedures regarding the reporting and investigation of suspected abuse, neglect, mistreatment, misappropriation of property and significant injury of residents/clients receiving services, including providing testimony at any administrative proceedings arising from such investigations. The policy and procedures are included as Appendix \_\_\_\_\_ to this Contract. The Division retains the right to approve this accounting system.
2. The Contractor shall recognize that no extra contractual services are approved unless specifically authorized in writing by the Division.
